OF THE Southern Baptist Review PENFIELD, GA.

T is proposed to publish in this place Quarterly Review, adapted to the wants of Baptists in the Southern States. Of the importance of such an enterprise, we presume there can be no doubt. Hitherto, we have been content to trust to the north for a large portion of our religious literature.—With the exception of weekly newspapers, scarcely any Baptists, with a view of keeping pace with the intellectual advancement of the age. The direction of opinion upon subjects of great im-portance and of peculiar interest to us has been committed to other, and often hostile hands; and publications have been circulated among our churches containing sentiments adverse to our institutions, and prejudicial to our christian character. It is time that we should think and write for ourselves.

The Review will contain articles on important subjects; reviews and notices of literary and religious works, as well as other interesting and valuable matter. It will be published quarterly at \$3 a year, payable on the delivery

of the first number. To those who take the Index, the Periodical Library, or the denominational paper published in the State in which they reside, it will be put at \$2 50 the year.

Four will make an octavo volume of 600 pages
The Review will be published by Rev. Joseph S. Baker, and edited by Rev. J. L. Reynolds, Professor of Biblical Literature, Mercer

The first number will appear in April. should the enterprise meet with the encouragement which is confidently expected.

EAD' READ!!! READ!!!-Having LINIMENT, prepared by JOSEPH T. ROW-LAND, I can certify to its good effects. A troublesome rheumatic affection in my right shoulder of three years' standing, was by a few applications thoroughly cared. Fifteen months have elapsed since its use, without a recurrence aplaint. Several relatives and friends to whom Lrecommended it, have also received great benefits from its use. A general know-ledge of its virtues would be the source of the alleviation of much pain and inconvenience. With this object in view, I have WITHOUT SOLICITATION authorised Mr. Rowfand to make use of this testimonial as he may THOS. J. HOUPT, 201 North Sixth street. think proper.

DR: SPENCER'S VEGETABLE PILLS

AND SPENCER'S PILLS & RESTORATIVE BITTERS. The following Certificate is from Tobias Folsonr, Esq., of Kershaw Dist. S. C. Kershaw District, S. C., June 2d, 1846.

HAVE used in my family 'Spencer's Pills," for two years past, and during that time my confidence in their apperiority over every other similar preparation within my knowledge has been constantly increasing; I now estoem them to be the best cathartic Pills in use. From my earliest rememberance I have been ufilicted with Sick Head ache and Costiveness, and for a number of years past have been trying various advertized remedies, among others; Beckwiths, Leo's and Peters' Pills; but failed to obtain any permanent relief, untill Jan. 5, at which time Dr. Spencer's Agent left me some of his Pills; recommending me to try them for my complaint. I did so; and by their superior action upon the morbid matter and their mild yet effectual purgative properties they so cleansed my stomach and bowels that they removed both the head-ache and its cause and gave me certain and speedy relief. My mother-in-law has also used them with success in the same complaint which she has had, so severe as to throw her into spasms and convulsions, being obliged in these cases to resort to cupping and other severe applications. I have also made frequent and constant use of these in cases of Re plaint, brought on by the too free indulgence in use of Berries and Fruit, and in ALL CASES with success. In short I have never known of their failure in any disease which they are recommended to cure, for which I have known of their being tried, if their use was persevered

in, and directions strictly followed.

Worms in Children!!

Of all diseases to which children are exposed, none areso fatal to them as worms. Unfortunately, children are seldom free from them, and as they unitate the symptoms of almost every other complaint, they often produce alarming effects without being suspected. Worms are not only a cause of disease themselves but by their irritation aggravate all other diseases, wandering from one part of the body to the other, winding themselves up into large balls, and obstructing the bowels and frequently the throat, causing convulsions, and too often death. The desired remedy will be found in Dr. Jayoe's Tonic Vermifuge—which will very soon destroy the worms, and invigo-rate the powers of digestion, so as to prevent a return of them.

Consumption, Cough, Spitting Blood, &c.— To Consumptives: Four-fifths of you are really suffering from neglected colds, or an obstrucsuffering fr. m neglected colds, or an obstruc-tion and consequent inflammation of the deli-cate lining of those tubes thro' which the air we breathe is distributed to every part of the lungs. This obstruction produces pain and soreness, hoarseness, cough, difficulty of brea-thing, hectic faver, and a spitting of blood, matter, or ph'egm, which finally exhausts the strength of the patient, and death ensues.— Jayne's Expectorant neverfails to remove this obstruction, and produces the most pleasing and happy result. It is certain in its effects, ot fail to relieve.
